Qaiser is a living example of overcoming adversity and turning dreams into reality. Through his best-selling books, media appearances, success coaching, keynote speaking and motivational seminars; Qaiser has touched the lives of millions around the globe. His audience describe him as inspiring, engaging and direct-from-heart.

In the last 14 years, Qaiser has helped world's top multinational companies, governments, educational institutes, and non-profit organizations through his cutting-edge leadership teambuilding and coaching tools. His over 200 clients include fortune 500 companies like Toyota, GE, Philips, Unilever, Philip Morris, World Bank, WHO, Nestle, Total, P&G, Pepsico, Coca Cola, Gillette, L'Oreal, OMV, Monsanto, DuPont, Abbott, Schlumberger, Reckitt-Benckiser and US Embassy.

As an Organizational Psychologist, Qaiser specializes in using experiential learning methodology in his OD interventions. He pioneered the concepts of 'trainment™' and 'Management By Adventure™' (MBA) to bring greater purpose, meaning and excitement to the business of learning and development.

As a premium Success Coach, Qaiser has coached superstars of sports, movies, media, science and business. His coaching model has been widely admired and utilized by the top executives worldwide.

Qaiser is also the Founder of Possibilities Foundation; aiming to establish 500,000 non-formal Possibilities Schools to educate seven million underprivileged children of Pakistan. The entire income Qaiser generates from his books is dedicated to support his back-to-society initiatives.

Qaiser is married and travels from Lahore, Pakistan. To know more about him you can visit www.qaiserabbas.org or www.possibilities.net.pk
